Mr. Birt E. Slater

Dear Birt:

Thank you for the copies of the Santa Ana Coin Club Newsletter and the Tustin Coin Club Bulletin. Eleanor has done a tremendous job in promoting National Coin Week for us, and both these publications will be put in the National Coin Week file.

Without a doubt, and because of the help from people such as yourself, this year's National Coin Week was the most successful ever.

Sincerely,

Edward C. Rochette
